

ABC North Alabama Camellia Award Nomination

As a special addition to our annual Excellence in Construction Awards Celebration, ABC North Alabama has created the Camellia Award to celebrate women in the construction industry. Women play a vital role in the ongoing operations of our member companies, and ABC believes these women should be recognized for their contributions.

Like our state flower, the camellia, these women possess distinct qualities that make them unique: *passion* for the work they do, always striving for *excellence*, and a level of *longevity and faithfulness* to their careers.

Like a flower transitioning from bud to blossom, the candidates see their projects through from start to completion. They are constantly evolving and developing stronger skills. They are adaptable to ever-changing environments. Just as the camellia utilizes the resources in nature, the nominees draw upon the means available to them to promote their careers and those of the people with whom they work, mentoring others and encouraging growth among their peers.

Nominee Criteria

- Member of ABC North Alabama
- Excellence in job performance
- Aggressive commitment to continuing education
- Demonstrates leadership in promoting a positive image for the construction industry
- Acts as a role model for women in the industry and/or community

Your Name/Contact Information: _____

Nominee Name/Contact Information: _____

Tell us why this nominee embodies the characteristics listed above. Please attach a separate sheet of paper if needed.
