

ABC North Alabama Eagle Lifetime Achievement Award Nomination

Each year the “Eagle Lifetime Achievement Award” is presented to an individual for their lifetime contributions to the construction industry and to ABC. Throughout his or her career, the recipient of this prestigious award shall have:

- Served as an employee of an ABC Member Company,
- Enhanced the image of construction,
- Demonstrated the value of the free-enterprise system,
- And proven to their peers that integrity and business ethics are the true measures of success.

There is no greater honor than to be chosen by one’s peers and recognized for a career of distinguished accomplishments and dedication to excellence in construction. We will honor the winner of this award at our Annual Excellence In Construction Awards Celebration.

Each member company may nominate one person to be considered for this award. Please give thoughtful consideration to this matter, and have the primary contact from your company return this form to the North Alabama ABC office.
